## ***Important Conference Opportunity – 10th August 2016***

This event, Winds of Change Bringing Revival and Transformation, will help us move forward in a proactive way to live out some of the priorities set by the 32nd Synod last month. Living Faith Uniting Church is hosting Rev Dr Alistair Petrie from Canada who has considerable experience in helping churches see transformation occur in the local church and community. This is timely for the Uniting Church. All are welcome to attend and each church is encouraged to bring a team so that you can explore the process of leading prayer, transformation, and connecting with your community. The Conference is being held at Living Faith Uniting Church, 330 Pine Mountain Road, Carina Heights, Brisbane on 10th August 2016. The event will commence at 9.30am and conclude with an Activation Dinner in the evening. This is an important opportunity for all of us.

## Notices

### **Recognition that previous people lived on our land**

I am a member of the Chermside Kedron Community Church congregation. I am interested to hear from congregations of Moreton Rivers Presbytery who have developed a means by which the congregation recognises that indigenous tribal, clan or family members lived on the land which is now church property.

Particularly if such recognition has involved a plaque or some other form of public statement, and a ceremony instituting or dedicating such a plaque or public statement.
