PRESBYTERY NEWS:

Prayer and Pastoral Concerns

Please pray for Ashgrove West Uniting Church, for Tim Bennett (and family) as he commences his position as resource minister and for the congregation as they seek to minister to those in their community.

Please pray for Chaplains who are working in aged care facilities, for their ministry to residents and their families, and facility staff.

Rev Dr Rob McFarlane – Says Goodbye

Our Mission Education Officer, Rob McFarlane, has accepted an invitation to take up a newly created role in Parramatta Nepean Presbytery (PNP) from 1 March, 2018. Rob's new role is Presbytery Ministry Leader, which integrates mission, Fresh Expressions, education, ministerial placements and leadership development. PNP covers the west of the Sydney basin, from Olympic Park to the Blue Mountains. The area currently has a population of 2.2 million, and includes some of Australia's fastest growing new developments.

We wish Rob well in this new stage of ministry. Rob's closure of ministry will be at the end of our next Presbytery meeting, Wednesday 28 February.

Queensland Community Alliance

Here is the link to Queensland Community Alliance (QCA) video that there wasn't room for on last week's Presbytery meeting agenda. Presbyteries of Moreton Rivers, Bremer Brisbane, and South Moreton plus the Synod are all members of the QCA. The Alliance's Community Organising Principles and Practices are great tools for congregations in mission planning and community connections. They are vital to living out both the Synod's priority directions and the MRP mission priorities.

The Founding Assembly was an amazing event, with great leadership from our Moderator, Dave Baker!

The Top Ten Essentials for your Church Website

Here is a stimulating list of ten things to think about regarding your website. My only quibble is that many congregations don't have the resources to keep content right up-to-date, plus social media has become even more significant since 2015, so think about running points 5 & 7 together:

End of year: A time of ministry transitions

As the end of the year draws closer many ministers will be moving in the new year or are seeking to move. Entering a new placement is major time of transition. Here is a simple article on "transplant shock" with some things to think about now or down the track:

Check out ACTIVATE

Trinity College Queensland's exciting new gap-year program. The program will allow school leavers, new grads and the "vocationally confused" to complete a very practically-based Diploma of Ministry offering purposeful learning and spiritual growth in a genuinely enjoyable context of vibrant Christian community. In addition to academic study, participants will also complete a barista qualification, do a mental health first aid course, learn to cook for crowds, go on an overseas mission trip, service in local programs for disadvantaged people and so much more.

For the first year only (2018), all program costs will be included in the cost of the academic program, *all of which can be covered using fee-help!* So, yes, the whole program can be enjoyed for a \$0 upfront cost.

Options are also available to audit the academic component of the course.

St Andrew's War Memorial Hospital 60th Anniversary 2018

Officially opened in May 1958, St Andrew's War Memorial Hospital at Spring Hill will mark its 60th anniversary next year. The largest of only three War Memorial Hospitals in Australia, and the only one in Queensland, St Andrew's was established when the Presbyterian Church sought a fitting memorial to those who had served in the first and second world wars.

Perhaps you or your parents were involved on committees or in raising funds for the hospital; you may have completed your nursing or medical training here; you may have photos or other memorabilia from the past that you would like to contribute, or you may have worked here previously. Please let us know also if you would like to be informed of upcoming events.
