POSITION VACANT:

Business Services Manager, Redcliffe Uniting Church Community Services Hub

Redcliffe Uniting Church (RUC) has a vision to be “at the heart of the Peninsula”. Part of this vision is building a community services hub – *a community space where like-minded service groups can come together and partner in life transformation.*

An experienced Business Services Manager is required to assist us ensuring that RUC is well positioned for the Hub and work with the internal and external teams to make the Hub a reality. This role will report to the Senior Minister and will suit a Christian with broad business management experience in a multi-stakeholder environment and with a heart for serving the community. The Business Services Manager will ultimately manage all of the day to day operational activities of the church and Hub including Finance, HR, ICT, marketing, tenancies and property.

If you are passionate about seeing RUC’s vision fulfilled and understand the integration of community service into congregational mission and are an experienced, outcomes focussed business manager with strong people, financial and operational experience we would welcome your application.

A Position Description and further information can be found on our [website](#).
